**Memo No:** 679 /College

**Dated:** 27-8-25

**Subject:** Regarding equivalency of 3 year Diploma in Civil Engineering with Draftsman ITI.

Kindly refer to your office U.O No. 49 Dated 07.07.2025 on the subject cited above.

In this connection, it is intimated that the subject cited matter was put up before the equivalency committee held on 13.08.2025 and it was decided that the 3 year diploma in Civil Engg. is a higher qualification than the ITI draftsman (Civil). It is also stated that the ITI Draftsman (Civil) is of two year course and the candidate after completing the ITI Draftsman Civil course can apply in the second year diploma course in the relevant branch i.e. Civil engg. Hence the committee is of the opinion that the diploma (3 years in Civil engg.) from State Board of Technical Education is not equivalent with ITI Draftsman (Civil) rather higher qualification.

This is for your information & necessary action please.
